

Christmas is an invitation to

see with the eyes of the Heart

and

BEHOLD....God with us, God among us.

**Sharing
the gift.....**

Global School Partners is a

**NOT for PROFIT
fully Voluntary group**

who believe that by providing a hand-up, through supporting education, health and community programs, positive change can become a reality for those in poverty in the developing world.

This year, 2018, the gift of a

COW (\$100) GOAT (\$45) or CHICKEN (\$7.50)

is being promoted.

If you decide to purchase one or any of these animals the GOOD NEWS is a card will be sent to you to give away as a Christmas gift to the person of your choice.

Later, a true photo of the recipient family/person with the actual cow, goat or chicken you have purchased, will be posted to the person in whose name the gift was given.

**100% of monies raised goes to the purchasing of
these gifts (no overhead costs involved).**
